### APM.6833. Allocation Methodology

The methodology used to distribute available funds is as follows.

- (1) 40% is distributed with each county receiving an equal share.
- (2) 60% is distributed based upon the county's number of children below 100% of the federal poverty as compared statewide in the same category, utilizing the most recent available U.S. Bureau of Census figures.

### APM.6834. Expenditure Limitation

Current period Title IV-B expenditures cannot exceed the amount claimed to the federal government in FFY 1978. Therefore, the reimbursement for Foster Care Maintenance and Adoption Assistance payments are limited to the county claim for FFY 1978.

REFERENCE: 45 CFR 1356.70

The Deficit Reduction Act of 2005 changed the claimed year used above (1978) to 2005.

Please note: As a result of sequestration, SFY17 allocations reflect a continuation of the SFY14 five percent (5%) cut enacted on counties. If additional Title IV-B funds become available for Ohio, this cut will be restored up to 5%.
